

Please avoid putting the following materials in the bins or you risk a contamination fine.

- Pesticides & herbicides
- Paint
- Appliances (white goods)
- Liquid waste
- Food waste
- Animal/human waste
- Railway Tires
- Tires of any kind
- Propane Cylinders
- Car batteries
- Asbestos

Material must be level at the top of the dumpster; nothing can be sticking out of the top.

Additional requirements may apply based upon locality.

The liability for appropriate waste remains with the customer as agreed to in the terms and conditions when contracting with RecycleSmart Solutions Inc. DBA Bin Rental Canada.

If you have any questions about what can be placed in the bin please do not hesitate to contact us at [sales@binrentalcanada.com](mailto:sales@binrentalcanada.com) or call 1-855-333-2467.
