

Please avoid putting the following materials in the bins or you risk a contamination fine.

Pesticides & herbicides
Paint
Appliances (white goods)
Liquid waste
Food waste
Animal/human waste

Railway Ties
Tires of any kind
Propane Cylinders
Car batteries
Asbestos

Material must be level at the top of the dumpster; nothing can be sticking out of the top.

Additional requirements may apply based upon locality.

The liability for appropriate waste remains with the customer as agreed to in the terms and conditions when contracting with RecycleSmart Solutions Inc. DBA Bin Rental Canada.

If you have any questions about what can be placed in the bin please do not hesitate to contact us at sales@binrentalcanada.com or call 1-855-333-2467.
